Mr. George S. Hammond,

Cross Hill,

Dear Mr. Hammond,-

I have spoken to Principal Gandier of Knox College about your request for information as to boarding facilities. Knox College has accommodation for a number of students. Our Residences in the University are open to students at the rate of $2.50 a week. Meals are served at the Dining Hall for $3.25 a week, in all $5.75. There is only a limited number of vacancies and if you wish a room will you please apply to the Assistant Registrar of the University.

I am sending you a Calendar of the Faculty of Arts, in which you will get all necessary information. If you require any more will you please communicate with the Registrar.

Yours sincerely,

President.
